PRAZ/B/1/1

Acting Town Clerk
MUTARE CITY COUNCIL
Mutare

Dear Mr K B Chafesuka

**Ref: VENUE FOR TRAINING OF PROCURING ENTITIES ON THE USE OF THE
PROCURING ENTITIES MODULE ON THE PRAZ PORTAL**

The Authority seeks to ensure that Public Procurement is effected in a manner that is transparent, fair, honest, cost-effective, competitive and in compliance with the Public Procurement and Disposal of Public Assets (PPDPA) Act. In line with section 6 (e) of the PPDPA Act which spells out one of the functions of the Authority as "to develop the use of electronic tools for procurement, including a public procurement website and statistical databases containing information on public procurement in Zimbabwe, and specify the conditions under which such databases will be availed to the public; and (f) to enable the publication on the website referred to in paragraph of documents that are required to be published by procuring entities", PRAZ has since launched the module to be used by procuring entities for the above.

The module enables Procuring Entities to publish procurement notices so as to promote competition and enhance transparency in public procurement. Training for Manicaland provinces is scheduled for the 12th of September 2022. To this end, PRAZ is humbly requesting to use your Council Hall for training purposes. The training program will be one day long.

Your usual cooperation is greatly appreciated.
